## A Letter from Our Board Chair & Executive Director

Looking back at 2019 we're grateful for the commitment and generosity from our community and staff that made last year so successful and positioned us to weather world-changing challenges we face in 2020.

In 2019, both the Adaptive Riding and Therapy programs grew both the number of people served and programs offered. We welcomed over 40 new riders to our Adaptive program. In its second year, our Special Olympics equestrian program also added riders with 25 individuals competing in our Special Olympics Washington Equestrian Show in June. We added two new therapists in 2019, increasing our ability to see patients across all three therapy disciplines—occupational, speech-language, and physical. We are always delighted when our therapy patients successfully transition to adaptive riding and six did so at the end of the year. Our goal is to provide a continuum of service for our patients and riders so that they can depend on Little Bit throughout their lives no matter the stage of service they require.

Last year the Little Bit staff and Board of Trustees explored how we could build upon our base of stable operations and solid financials to advance the Little Bit Mission over the next three years. Bringing together what we heard from outreach to the Little Bit family, thought leadership in our field, and the creativity of our staff, we identified three priorities.

- Serve new populations of those with disabilities with expanded unmounted programs
- Enhance our communications and engagement to both Little Bit and broader communities
- Invest in the staffing, facilities, and technology support needed to meet these goals

We've made the following progress against objectives laid out in the plan:

With increasing demand for our unmounted services, staff began to secure exciting new Equine-Facilitated Psychotherapy partnerships with mental health professionals who bring their clients to Little Bit to work with our equine specialists and horses. The future is bright for this part of our programming.

Communicating individual rider progress toward goals is one area families identified as important to them. Efforts were initiated to fill that critical communication gap.

We invested in technologies critical to supporting Little Bit's programs today and into the future. Upgrades were made to all computer software and we implemented a cloud-based database specifically designed for therapeutic riding programs that will, when fully functional, enhance effectiveness and efficiency both in daily and long-term operations.

Our success in 2019 and in previous years was incredibly important to Little Bit's future, particularly as we find our way to a "new normal" in 2020. In this environment one thing is clear: Our mission is more important than ever. Thank you for your continuing support.

Sincerely,

Barbie Stafford  
Chair, Board of Trustees

Paula J. Del Giudice  
Executive Director

**93**  
age of oldest patient

**6**  
patients met all of their treatment goals & transitioned from hippotherapy to adaptive riding

## Hippotherapy

Hippotherapy is a physical, occupational, or speech-language therapy treatment strategy that utilizes equine movement combined with standard techniques and strategies as part of an integrated intervention program to achieve functional outcomes. The physical therapist focuses on skill areas related to gross motor ability such as, but not limited to, sitting, standing, and walking. The occupational therapist focuses on areas such as fine motor control, sensory integration, feeding skills, play skills, attention and self-regulation skills, and functional daily living skills. The speech-language pathologist focuses on respiratory function, breath control, oral-motor function targeting articulation, fluency, auditory processing, expressive language, receptive language, and social pragmatics.

**"I feel Little Bit is a big reason Bronson is where he is as far as walking. He had not been able to sit unassisted without having someone behind him and assist him in sitting. After his very first session, he sat up for the longest time by himself. I told myself he is doing this hippotherapy every week—we'll make the sacrifice until he tells me, 'I'm done.' This is going to be part of his life for as long as he wants it to be part of his life."**

## Adaptive Riding

Adaptive Riding is recreational horseback riding lessons for individuals with special needs. The goals are riding-skill based, but individuals and parents often report many therapeutic benefits of participation. Adaptive riding lessons are taught by instructors certified by the Professional Association of Therapeutic Horsemanship (PATH) International who create a wide variety of games and exercises designed to meet each student's needs. Classes include arena riding, trail rides, and group activities.

**"Gillian's experiences at Little Bit benefit her daily life whether at home or at work, making her more secure, independent, and able to ask for help sooner than she would have otherwise. Little Bit allows a person with disabilities to be seen and heard—it's a safe space where they come first and can be in control . . . The rewards are worth the effort to make it happen."**

— Amy W., Parent

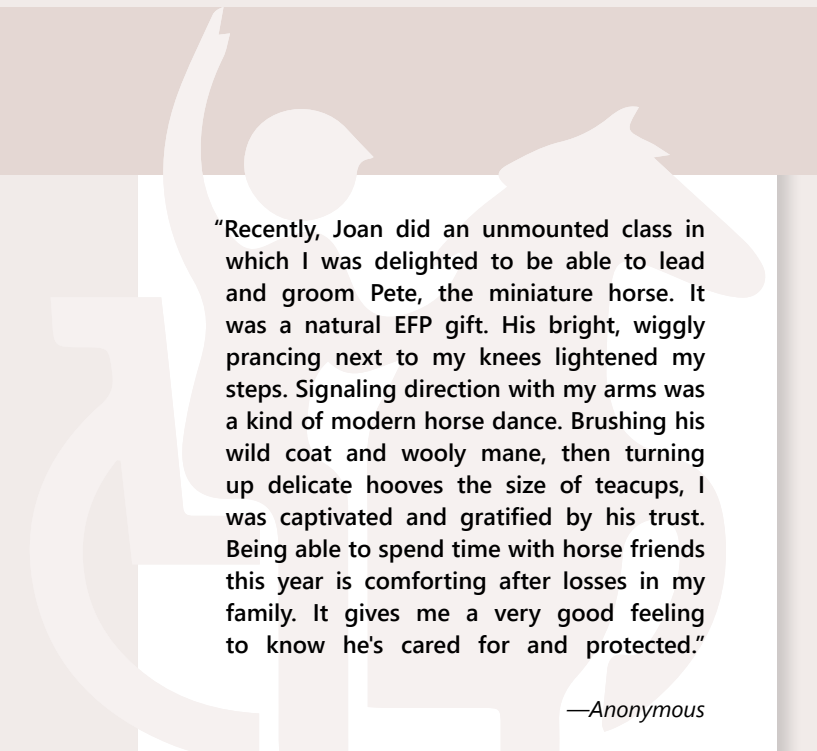

233 children & adults served

## Equine-Facilitated Psychotherapy

Through Equine-Facilitated Psychotherapy, the focus is not horsemanship or horseback riding, but rather a safe place for the client and therapist to engage in activities with a horse or horses and use the horse(s) to help process feelings, thoughts, and reactions. Little Bit is partnering with local mental health therapists to provide EFP services at our facility. These therapists will work hand in hand with a PATH-certified Equine Specialist from the Little Bit staff.

[LEARN MORE AT LITTLEBIT.ORG/EFP](https://www.littlebit.org/efp)

“Recently, Joan did an unmounted class in which I was delighted to be able to lead and groom Pete, the miniature horse. It was a natural EFP gift. His bright, wiggly prancing next to my knees lightened my steps. Signaling direction with my arms was a kind of modern horse dance. Brushing his wild coat and wooly mane, then turning up delicate hooves the size of teacups, I was captivated and gratified by his trust. Being able to spend time with horse friends this year is comforting after losses in my family. It gives me a very good feeling to know he’s cared for and protected.”

—Anonymous

## Other Programs

In addition to Little Bit Therapeutic Riding Center's three primary programs including Hippotherapy, Adaptive Riding, and Equine-Facilitated Psychotherapy, the following programs are also offered:

### Annual Horse Shows

The Pat Flynn Memorial Horse Show is the culmination of a year's worth of progress in Hippotherapy and Adaptive Riding and a celebration of abilities rather than disabilities. The Margo O'Callaghan Memorial Dressage Show provides a venue for riders of all skill levels to compete alongside their peers and be judged on their performance alone, regardless of ability or disability. Little Bit hosted the second annual Special Olympics Washington Equestrian competition where riders competed in four events, earning medals while growing in confidence and abilities. A total of 99 children and adults participated across all three shows.

### Summer Camps

Camp experiences are open to individuals with or without disabilities and include riding lessons from PATH-certified therapeutic riding instructors, assisting with grooming and tacking horses, unmounted activities with horses, games, and much more. In 2019, 88 individuals attended one or more weeks of summer camp.

### Inspiration and Education

Little Bit Therapeutic Riding Center serves as an inspiration and educational resource to the therapeutic riding profession, both regionally and nationally. We accomplish this by offering clinics, seminars, and training classes throughout the year, to both Little Bit staff and volunteers as well as individuals from other therapeutic riding organizations and those wanting to gain qualifications to enter the therapeutic riding profession. In 2019, Little Bit hosted 53 individuals across a variety of educational programs, as well as 85 volunteer training classes.

**Little Bit also offers Equine-Facilitated Learning, Unmounted Horsemanship Classes, and Social Skills Classes.**

## Horses

Little Bit Therapeutic Riding Center program participants receive the highest quality services available. Our horses are a vital component and are cared for with compassion and a high level of expertise, provided by staff, veterinarians, and trained volunteers. We provide this level of care not only for the benefit of our horses' health and state of mind, but also with the knowledge that the better we care for our horses, the better they will be able to help fulfill our mission.

[LEARN MORE AT LITTLEBIT.ORG/HORSES](https://www.littlebit.org/horses)

"I have volunteered at Little Bit for over 20 years and the results I see still take my breath away. The physical and emotional progress of the riders is amazing. It couldn't happen without the remarkable horses. Being a therapeutic horse is hard; it requires a special personality. Little Bit utilizes top of the line care to enable the horses to perform to their best day after day. Routine vet and farrier care and high-quality feed are just the tip of the iceberg. Every horse has a customized training and work program, which is complemented by numerous other therapies including chiropractic and massage, as well as regular saddle fittings and other tack checks to keep each and every horse as comfortable and happy as possible. This personalized, high-end care shows in happy, healthy horses."

## Volunteers

Little Bit was founded in 1976 by a small group of volunteers, and volunteers remain at the heart of our operation today. The time, knowledge, and passion of our volunteers allow us to achieve a level of service that would otherwise not be possible.

With gratitude we congratulate our **2019 Corporate Strides Award Winner**

We honored Symetra's dedication to exceptional volunteerism, commitment, corporate philanthropy, and ongoing support of the Little Bit mission.

[LEARN MORE AT LITTLEBIT.ORG/VOLUNTEER](http://LITTLEBIT.ORG/VOLUNTEER)

"Little Bit offers therapeutic clients moments in their lives where they can grow and soar. I personally have been a part of so many medal-worthy magical moments: a foster child that asks if this is real because he feels like he is in heaven; another young child that couldn't sit up now walks on his own; an older rider that has lost some of their cognitive ability now rides independently; and to see hope in the parents' eyes. I admire and respect the two and four-legged staff members that make up the client's team. They bring so much knowledge, experience, and compassion. When I leave Little Bit, I am so grateful to be allowed to participate. I am just filled with happy tears."

Little Bit Therapeutic Riding Center | 2019 Annual Report

# Donors Thank you to all of our donors. Every gift makes a difference.

Future Strides Giving Society members choose to demonstrate their extraordinary commitment to the Little Bit mission by providing \$1,000 or more in cash gifts or auction purchases in a single calendar year.

## \$150,000+

# Hearts and Hooves Legacy Giving Society

A sentence or two in your will or living trust can help Little Bit achieve its mission for years to come. Thanks to legacy gifts received in the past few years, Little Bit now has an operating reserve, or “rainy day fund.” While the reserve has not been used to date, it will allow Little Bit to remain financially stable when facing challenges like a major weather event or pandemic.

We thank the following individuals who have remembered Little Bit in their estate plans:

Mike Akers  
Joan Andersen  
Sally Barns  
Tucker Burback  
Karol Flynn  
Jerry & Sally Gregg  
Martha Hanscom  
Debra Kerth  
Norma Kruger

Jill Lesli  
Patricia McCowan  
Helen Miske  
Alan L. Naiman  
Sandi Rafchick  
James & Judy Rams  
Pamela Siegfried  
Lenore A. Wailes

Please visit [littlebit.org/donate](http://littlebit.org/donate) to learn more about legacy giving, or to discuss legacy giving opportunities contact Director of Development Sharon Soldenwagner at 425-882-1554.
