

# Sponsor a Horse

## Make a difference in the lives of children and adults with disabilities!

Little Bit Therapeutic Riding Center program participants receive the highest quality therapeutic and adaptive riding experiences available. Our horses are a vital component of these experiences. Little Bit horses are cared for with compassion and a high level of expertise, provided by staff, veterinarians, and trained volunteers. We provide this level of care not only for the benefit of our horses' health and state of mind, but also with the knowledge that the better we care for our horses, the better they are able to help fulfill our mission.

You can provide for the excellent care of a Little Bit horse of your choice through the Little Bit Sponsor a Horse program. The full cost to care for one horse for one year is \$22,600 including hay, supplements, veterinary care, farrier services, tack, blanket, stall bedding, schooling (exercise and training), and daily staff care.

### Choose from four levels of sponsorship:

- Supreme Champion Sponsor—\$10,000-22,600
- Grand Champion Sponsor—\$5,600-9,999
- Superior Champion Sponsor—\$2,500-5,599
- Reserve Champion Sponsor—\$1,000-2,499

All Sponsor a Horse contributions are potentially fully tax-deductible and designated to Little Bit equine care for one year. Payments can be made monthly, quarterly, or annually.

Please see the reverse side for information on benefits. →
